Dear Friends of Hospice,

On behalf of the patients and families that are served by Hospice of the North Country, I wish to thank you for your very kind donation of \$1,000.00. Please be assured that your gift affords us the opportunity to provide pain and symptom management, supportive care, emotional counseling and spiritual support for hospice patients and their families in our community.

Hospice of the North Country provided specialized end-of-life care to 233 patients and their loved ones during 2008 in both Clinton and Northern Franklin Counties. Without the help of our caring friends, we would be unable to improve the quality of life and preserve the dignity of those with terminal illness and their loved ones. In that regard, we are so fortunate to have friends who wholeheartedly support our agency.

Again, on behalf of our patients and families, we send our sincere thanks and appreciation for your continued support of the hospice mission.

Sincerely,

Kent W. Brooks
Chief Executive Officer
